Lightweight Half Size Cart

EGRET

P/N: TH0023-A01

Egret lightweight carts are made of high-grade aluminum alloy extrusions and sheets, stainless steel hardware with approved insulation forms which meet all fire property requirements, employing CNC technology to optimize use of materials for weight reduction.

The design of the conventional carts has been proven for decades. Such carts are still the most popular carts in use onboard as meal and beverage carts by most airlines worldwide.

ATLAS, KSSU, ACE or customized configurations are available at customers' choice.

Typical ATLAS lightweight half size meal/beverage carts:

Part Number	Empty Weight (kg/lb)	Remarks
TH0023-A01	10.9 / 24.0	Lightweight with dry ice tray
TH0024-A01	10.3 / 22.7	Lightweight without dry ice tray
TH0003-A01	13.4 / 29.6	Reduced weight with dry ice tray
TH0004-A01	12.6 / 27.8	Reduced weight without dry ice tray
